# Pommel horse 'Madrid'

Ref. 1490150

FIG CERTIFIED  
COMPETITION MODEL

*built-in  
transport system*

This Top Competition Janssen-Fritsen product is **FIG certified** and is praised for its stability and wearproof quality. The **newly developed rubber compound pommels** provide an excellent grip under all circumstances, requiring less magnesia. The rigid wooden body, covered with carefully chosen foam and first-class chrome leather offers a comfortable firm touch and the right amount of stability at all times. The pommel horse comes with a built-in transport system for easy manoeuvring and a galvanised Y-shaped fixation chain and tension swivel.

*first-class chrome leather cover*

*new compound pommels*

Technical data:

**Pommel training**

The high-quality pommel horse 'Madrid' is stable, durable and has a splendid grip. For senior competitions and training this is definitely the best pommel horse available. As pommel training is the most difficult one and requires many hours of training, Janssen-Fritsen has developed a complete line of special junior and methodical equipment which will reduce the learning time considerably and helps young gymnasts to practise with the right body posture.
